DELIVERING TOTAL CONSUMER EXPERIENCES

HARMAN Professional Solutions is shaping the transformation of retail through bold innovations that enable retailers to create unique and engaging shopping experiences. From shopping malls to retail stores to car dealerships and showrooms, HARMAN has the solution to meet your needs.

CAFÉ

Connect With Your Customers

The store café allows the customer to relax and enjoy a snack or grab a drink while continuing to shop, extending the in-store experience. HARMAN's restaurant solutions engage customers with background music, television, and more.

CHANGING ROOM

An Interactive Product Experience

Guests in changing rooms want the perfect, tailored experience. Control technology from HARMAN allows customers to change the lighting, audio source, volume, and more—even alert the sales staff—all from an intuitive touch panel.

DEMO AREA

An Interactive Product Experience

A store's demo area engages customers at that critical point where they pick up the product and decide if they can imagine using it. By combining audio, video, and lighting technology with sensors and intelligent automation, stores engage customers in truly unique, meaningful ways.

EXTERIOR

Attract and Illuminate

HARMAN's architectural lighting and digital signage solutions create unique experiences which set brands apart and creates a signature retail experience.

DISPLAY

Present - Collaborate - Share

The perfect display grabs the customer's attention and encourages them to learn more. HARMAN architectural lighting and digital signage technology engage the customer with innovation and style.

PUBLIC SPACE

Extend the Excitement

When customers walk through the store, the right audio, video, and lighting solution from HARMAN will draw their eyes and create the perfect experience which keeps guests engaged.
