

A man with a beard and short hair, wearing a black long-sleeved shirt and blue jeans, is sitting on a stool and playing an acoustic guitar. He is positioned next to a large, black, rectangular JBL speaker with a silver grille. The setting appears to be a rustic, modern interior with large windows and wooden beams. The overall mood is artistic and professional.

# DELIVERING TESTED PORTABLE PERFORMANCE

HARMAN Professional Solutions has taken the audio technology they provide for some of the biggest touring acts in the world and scaled it down to work in even the most intimate of spaces. With industry-leading technology for the entire audio signal chain, from microphones to speakers, we have the perfect integrated PA solution for any application.

## CLUB

### Impact Without the Stress

Clubs looking to provide an impact need a great sound system that delivers the experience without being a pain to setup. With HARMAN portable mixing consoles and powered speakers, clubs can sound great without the fuss.

## CORPORATE ENVIRONMENT

### Ensure Your Meeting is a Success

Whether it's a meeting with clients or an internal presentation, having the right audio can make or break any corporate event. HARMAN offers a range of portable PA solutions that can quickly and easily turn any space into a presentation space.

## COFFEE SHOP

### Great Sound You Can Do Yourself

Singer/songwriters and other solo performers do everything themselves, from performing to booking to promotion. With all-in-one portable PA systems from HARMAN, performers can quickly setup and focus on entertaining the crowd rather than worry about the tech working right.

## PORTABLE HOUSE OF WORSHIP

### Reach People Wherever You Are

Many new houses of worship meet in borrowed spaces, and they need to be able to bring in their sound and set it up quickly before service starts. HARMAN's portable sound reinforcement and monitoring solutions help share the message with parishioners wherever they are.
